CRYSTAL LAKE, Illinois (January 1, 2009) – The Kwik Kopy Printing center at 125 S. Virginia St., #201 is expanding its name as well as the services offered at the 22-year old location. In February, Charlie and Missy Klimkowski rebranded their printing and copy center, becoming Kwik Kopy Business Center, part of a worldwide network of centers offering business services ranging from creating marketing concepts to executing campaigns to creating plastic badges, security tags and gift cards.

“My background is in marketing,” said Klimkowski, “and so I want to offer the widest possible range of services to include marketing, printing and mailing – from concept to completion. I’m all about meeting customers’ needs and ‘WOWing’ them in the process.”

From corporations to retail consumers, everyone benefits from the types of services KKBC delivers. Attention to detail by experienced and attentive staff is the basis of the high quality and care given to each order.

“Small-to-medium-size businesses as well as individuals in our community can trust the professionalism, dependability and customer-focused service offered by our staff at

KKBC accepts files electronically for all types of printing projects, and assists in consulting, creating and distributing marketing materials for businesses of any size. Parcel Plus is part of the KKBC offering – packing and shipping, cargo and private mailbox rentals.
