Rockwall Parcel Plus expands business services, now Kwik Kopy Business Center

ROCKWALL, Texas (February 28, 2009) – The Parcel Plus at 892 Steger Towne Road is expanding its name as well as the services offered at the 12-year old location. In February, Steve and Mallie Gavin’s Parcel Plus pack and ship center became Kwik Kopy Business Center (KKBC), part of a worldwide network of centers offering a variety of business services all under one roof.

“After more than two decades of working in management with the USPS and in printing while in the military, I have found KKBC to be a good combination of both worlds,” said Steve. “KKBC offers the widest possible range of services including marketing, printing and mailing – taking projects from concept to completion.”

Corporations and retail consumers alike benefit from the types of services KKBC delivers. Attention to detail by experienced and attentive staff is the basis of the high quality and care given to each order.

“Small-to-medium-size businesses as well as individuals in the community can trust the professionalism, dependability and customer-focused service offered by our staff at Kwik Kopy Business Center,” said Gavin. “We are providing our customers with solutions for today’s business challenges.”

Kwik Kopy Business Center offers a “one-stop shop” – graphic design, color printing, and

digital black-and-white and color copying, blue print duplication and large color poster production. KKBC accepts files electronically for all types of printing projects, and assists in consulting, creating and distributing marketing materials for businesses of any size. Parcel Plus is part of the KKBC offering – packing and shipping, cargo and private mailbox rentals. And though part of a large network located across the U.S. and internationally, each center operates with its focus on the individual customer – excellent service that has been part of the Kwik Kopy tradition since 1967.
